☐ Amended  
☐ Modified

This Plan may affect creditor rights. **If you object to the treatment of your claim as proposed in this Plan, you must file a written objection by the deadline set forth in a Notice of Date to File Objections to Plan that was served on parties in interest.** If this is a joint case, then "Debtor" means both Debtors. This plan does not allow claims or affect the timeliness of any claim. To receive payment on your claim, you must file a proof of claim with the Bankruptcy Court, even if this Plan provides for your debt. The applicable deadlines to file a proof of claim were specified in the Notice of Commencement of Case. Except as provided in § 1323(c), a creditor who disagrees with the proposed treatment of its debt in this Plan must timely file an objection to the Plan.

☐ This is an Amended or Modified Plan. The reasons for filing this Amended or Modified Plan are:

(A) **Plan Payments and Property to be Submitted to the Plan.**

(1) Plan payments start on . The Debtor shall pay the Trustee as follows:

\$ 1,286.49 each month for month 1 through month 60.

The proposed plan duration is 60 months. The applicable commitment period is 60 months. Section 1325(b)(4).

(2) In addition to the plan payments, Debtor will submit the following property in addition to plan payments: *[Describe or state none]*

**-NONE-**

(B) **Trustee's Percentage Fee.** Pursuant to 28 U.S.C. § 586(e), the Trustee may collect the percentage fee from all payments and property received, not to exceed 10%.

2-09-bk-39682

(C) **Treatment of Administrative Expenses and Claims.** Except as specified for adequate protection payments under (C)(1) or otherwise ordered by the Court, the Trustee will make disbursements to creditors after the Court confirms this Plan. Unless otherwise provided in Section (J), disbursements by the Trustee shall be pro rata by class (except for adequate protection payments) and made in the following order:

- (1) **Adequate protection payments.** Section 1326(a)(1)(C) requires adequate protection payments to be made to creditors secured by personal property. Pursuant to Local Bankruptcy Rule 2084-6, the Trustee is authorized to make preconfirmation adequate protection payments to the following secured creditors without a Court order, provided the claim is properly listed on Schedule D, the creditor files a secured proof of claim that includes documentation evidencing a perfected security agreement, and the debtor or creditor sends a letter to the trustee requesting payment of preconfirmation adequate protection payments. The Trustee will apply adequate protection payments to the creditor's secured claim. After confirmation, unless the Court orders otherwise, adequate protection payments will continue in the same amount until claims to be paid prior to these claimants are paid in full, unless the confirmed plan or a court order specifies a different amount. **If a creditor disagrees with the amount of the proposed adequate protection payments or the plan fails to provide for such payments, the creditor may file an objection to confirmation of this plan, file a motion pursuant to §§ 362, 363, or do both.**
